CAREER OBJECTIVE

Results-driven Full Stack Developer with 3 years of experience delivering high-impact projects in ReactJS and JavaScript, with a proven track record of improving performance and efficiency.

EXPERIENCE

Wizzybox Pvt Ltd

2023 Feb - Present

Full stack developer

Bangalore

- Engineered an SEO tool that scraped keywords, analysed competitor website changes, and monitored SEO metrics for niche industries.
- Developed a custom ERP system for an electronics retailer; reduced page load time by delegating long-running background tasks to worker threads, improving performance by 40%.
- Migrated a legacy Angular-based biometric attendance system to React and refactored the monolith backend into a microservice architecture.
- Built internal tooling including Chrome extensions, offline image background re-mover/re sizer, and an automated social media posting bot.
